About Seqrite Centralized Security Management

With cyber threats constantly evolving, getting smarter, and more sophisticated, it's time you get holistic visibility of security posture in one place to mitigate risks before it becomes a disaster.

Seqrite Centralized Security Management is a cloud-based platform that will enable coordination between different security layers, integrate cybersecurity silos into a single pane of truth, and ensure your point products communicate with each other to consolidate alerts, identify risks, and convert the data into intelligence.

Seqrite Centralized Security Management will enable your business to prevent real-time malware breaches, make insight-driven decisions, and accelerate vital security functions quickly and effectively with just a few clicks.

Supported Seqrite Products

With Seqrite Centralized Security Management 2.7, you can manage the following Seqrite products:

- Seqrite Endpoint Protection (Cloud) with DLP as add-on
- Seqrite XDR
- SEQRITE mSuite/Workspace
- Seqrite Data Privacy
- Seqrite ZTNA

New Features in Seqrite Centralized Security Management 2.7

Seqrite Centralized Security Management 2.7 offers the following feature(s).

Introducing the New 'Brand Seqrite'!

In this release, introducing a comprehensive rebranding initiative featuring new product names and logos.

This update introduces the following key highlights:

- Effective April 8, 2024, we have refreshed our brand to simplify cybersecurity, making it easier for users to navigate. This includes streamlined product names for a more intuitive experience.
- The **HawkkEye** product name has been retired and replaced with **Seqrite Centralized Security Management** to align with industry standards, offering users a clearer understanding of our cybersecurity solutions.
- Rest assured, despite the brand refresh, our commitment to providing reliable and top-notch security remains unchanged. The Seqrite team continues to prioritize your protection with robust and dependable solutions.
- Take the opportunity to explore 'Brand Seqrite' and discover how our revamped brand can empower your business to thrive in today's ever-changing digital landscape.

Learn more about the change [here](#).
