What's New

Seqrite Data Privacy 3.1.3 includes the following enhancement.

Data Summary Report - Intermediate and Operational Insights

Overview

Introduced the Operational Insights Report and enhanced the Data Summary Report (DSR) intermediate pages to provide more detailed reports and improved data accuracy.

New Features and Enhancements

- **Per Mailbox Reporting:** Added a new Per Mailbox report in Operational Insights to provide mailbox-specific metrics and insights.
- **DSR Intermediate Page Enhancements:** Improved the UI and APIs of the DSR intermediate pages for a better and more responsive user experience.
- **Export File Naming:** Standardized the naming convention of exported reports for easier identification and management.

Technical Support

Seqrite provides extensive technical support for its users. In case you face any technical issue, you can contact our Technical Support center using the options available at the following URL:
